

## **Aegis Logistics Limited**

### ***Allotment of Land at Haldia Port***

Aegis Group, a leader in oil, gas and chemical logistics, today announces the allotment of additional two plots aggregating to 9 acres of land at Haldia Port. The land is allotted on a lease for a period of 30 years by Kolkata Port Trust - Haldia Dock Complex.

Commenting on the land allotment **Mr. Anish Chandaria, Managing Director & CEO** said

*“Aegis Group is continuing with its strategy to add more terminals to its portfolio, offering its customers logistics services throughout India at every gateway into and out of India. The land allotment at Haldia fits well into strategy of adding more terminals and strengthens our presence on the east coast of India. With this additional land allotment Aegis Group is continuing its strategy of building a necklace of port terminals around India’s coast line.”*

#### **About Haldia Port**

Haldia Port is one of India’s Major Port located on the Bay of Bengal on the eastern coast and is 104 kilometres downstream of Kolkata. Haldia Port is a part of Kolkata Port, the only riverine major Port in India situated on the bank of the Hooghly River. It has excellent facilities to facilitate performance in Cargo Handling, Faster Turnaround of Ships, Berth Productivity etc. The port is well connected through Railways, network of Roads through NH-41 and NH-6 and is also connected by the National Waterway No. 1. The Port caters to the demand from Haldia Industrial Area, Durgapur and Asansol industrial belt which has Large Refinery, Petrochemical Plant and major Chemical Industries. Haldia Port has three operating Oil Jetties for hazardous liquid cargo and two Finger Jetties for handling non-hazardous liquid chemical cargo. The Haldia port has handled ~31 million tons of traffic during the period April to March 2015.

### **About Aegis Logistics**

Aegis Logistics Limited is India's leading oil, gas and chemical logistics company. The company has five distinct but related business segments, and operates a network of bulk liquid terminals, liquefied petroleum gas (LPG) terminals, filling plants, pipelines, and gas stations to deliver products and services. Aegis has entered into a Joint Venture for its Singapore based LPG Sourcing and Supply Business with ITOCHU Petroleum Co., (Singapore) Pte Ltd. The client base includes many leading industrial companies in India as well as retail outlets and customers whom we serve through distributors and Aegis Autogas retail stations.
